

First Year with New ICL

Dr. Ron Rudolph

DOE/NNSA NA-25

Since Last We Met

- Copy of ICL S000030
- New LMEMs
- Status of requests
- Dispositions increasing
- Two amendments
- Other projects want ICLs
- Other export issues

New LMEMs

- ANL – Chad Mund
- BNL – Mark Sakitt
- SNL – Dallas Busch
- PNNL – Kim Galloway (July)

Status of Requests

- Since new ICL in 4/06, have received 427 ICL requests worth over \$470M.
- In ten previous years under S000005, received 2,204 requests worth \$352M!
- Significant switch from exports to funds transfers
- Finishing at many sites
- Start sustainability at several sites – new issues

Dispositions Increasing

- Projects – individual items
- Divisions – in sustainability contracts

Amendments

- Central Research Institute for Shipbuilding (CRIST)
- Lunevo Training Center of the Ministry of the Interior (MVD)

Other Projects Want ICLs

- Second Line of Defense in large countries
- ITER
- NBL – sources

Other Export Issues

- Continue exchanges with China
- Second Line of Defense exports
