

**2011 ECCO Business Meeting**  
**April 28, 2011**

1. Don Gerber gave us the Treasurer's Report sans the final total from the 2011 meeting. We are in the black.
2. Sarah Maynard reported 189 members as of 4/19/2011. 14 are from the Department of Energy. Please check your contact information on the Contacts page of the website under the officers.
3. We decided to add JPL to the DOE contacts listing.
4. We talked about a "virtual ECCO" but decided that it would hinder the networking and synergy we get at the training seminars. Decided to close this action without action.
5. We discussed making ECCO a non-profit think that would be a minimal fee and would help with tax liability. Sarah is to figure out the forms we need to do this. We will have to change the by-laws if this goes through.
6. Sarah nominated Bill Bollinger, LLNL, for Vice-Chair in 2012. The nomination was seconded and carried.

The meeting was adjourned.
